## President's Message – Carole P.

Wow wasn't that the best quilt show! We had our highest gate numbers and so many beautiful quilts. The food truck was wonderful on the second day, everything was yummy. Members pitched in and the show came together like a dream. Thank you to everyone who helped for all of your hard work and time. We would not be able to put together a show like this if everyone did pitch in and help. If you were not able to help this year, please, please consider helping next year. It truly does take all of us for this show to succeed.

Summer is in full swing. Some of us are traveling and enjoying visits from friends and family. While you are out and about traveling do not forget to visit a quilt show or two. Maybe even visit another quilt guild's meeting. You may find some new ideas and items to share with the Ocean Wave quilters at home. I myself love to visit the different quilt shows and shops while traveling. It helps me to see what the rest of the quilt world is up to. Have a safe summer and travel safely.

My 4-year-old granddaughter Emily shared these jokes with me on my last visit. She told me she found them on her morning cereal box, and they made her laugh every morning. I know they are a little corny but remember she is only 4.

Why did the Dolphin cross the bay? To get to the other tide.

How does a seagull make a phone call? On a shell phone.

## Service Committee – Grace V.

Grace reported that 3 pet beds, 7 chaplain quilts, and 32 Dress A Girl dresses (making a total of 112 so far), were delivered last month. Also, Sharon L. and Tracy made a quilt for fire victims living in Mendocino.

## Special Events – Cindi Jo

Our first special event on the horizon is the barbecue on Sunday, Sept. 22 at 1:00 at Ginny and Joe Cooper's up in Inglenook. Ginny will have the sign-up sheet at the August meeting, so if you haven't already, be sure to sign up to bring something yummy to share. We can't wait to see the picnic table that Joe made just for the occasion!

The next Special Event will be the Trick or Treat Retreat, Wed thru Sat, October 23rd-26th. Save the dates and bring a project or 2. More about that in next month's newsletter.

Sew/Service Sunday for August 25th-

We'll be making pet beds, so bring old pillowcases, or appropriate fabric that will make good covers at about 18" to 24" squarish sizes. Sewing machines and rotary cutters will be needed. You're also welcome to bring bedding supplies to me at the August 11th general meeting. If you bring scraps, please make sure there are no pins, or garbage mixed in. Fabric and batting only.

### Quilt Frame Update by Linda Walzer

New to the OWQ website are instructions for using the hanging hand quilting frame at the Fort Bragg Senior Center. Also to be found there are instructions for how you may get your own quilt added to the queue to be hand quilted.

Every Tuesday from 1pm-3pm the frame is lowered and anyone who would like to hand quilt or visit and work on their own projects are welcome. The recently created embroidery/hand sewing group also meets at the same time and location. We'd enjoy having you stop by.

Thank you to everyone who consulted on the frame instructions. All your advice was considered and heeded. Nancy Yearwood took the photos and Tatiana Walzer put the presentation together. As always thanks to Sharon Lau for administering the OWQ website.

### Community Project Kits Available at August 11th Meeting - Sharon L.

With the generous donation of bags of fabric from our Quilt Show judge, Cathie Hoover, a few of us met on Sew/Service Sunday and put together "kits" for use in making Warm Welcome and Chaplain quilts, as well as Dress-a-Girl dresses. Some of the kits could use a "pop" of color - especially yellows and greens - from your stash, but there's plenty of fun fabric to use. Please plan to take one or more of these kits home with you and bring back the finished quilt to show at a meeting. Some kits already include the backing fabric - for others, you are welcome to come shop in my "stash" of donated fabric backs. When you have a finished top and back ready, the club will provide the batting, and I would be happy to quilt it for you (make the back 3" larger all the way around than the top).

### Dee G. – “One Block Wonder” Quilt Class on August 10<sup>th</sup>

There are still openings for the “One Block Wonder” class on August 10<sup>th</sup> at Sew ‘n Sew. The one-day class will include preparing and cutting fabric – stacking and whacking: playing with the hexagons created by the triangles, ideas on creating your layout and sewing the pieces together. Class will cost \$30 per person. Supply list will be provided. If you want to sign up, consider the following; Select a fabric that features your favorite colors, has minimal amount of background and has curving elements that creates movement. Large prints are excellent. Paula at Sew ‘n Sew will be happy to assist you in selecting the right one and knowing the length of repeat in each fabric.
