

## Another Disappearing Hourglass Block

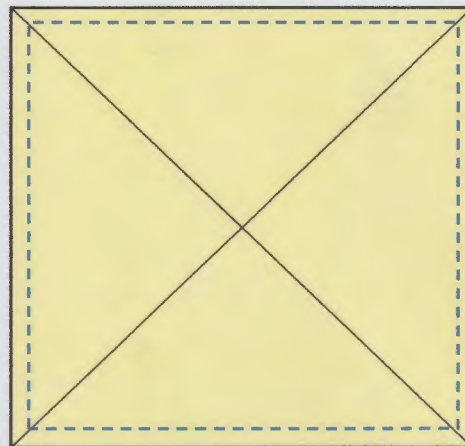

Fabric needed:

1 10" yellow square (provided – make sure you cut it to size!)

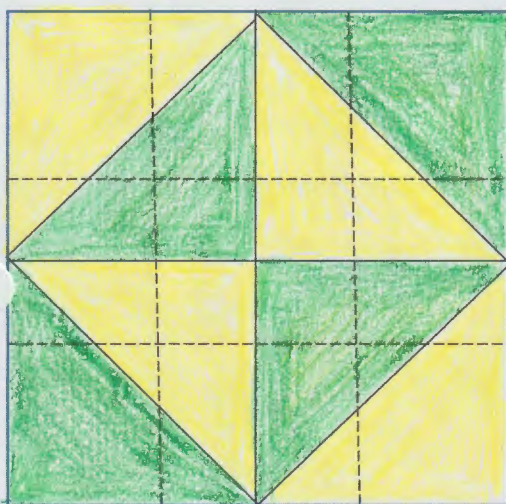

1 10" green square (any medium to dark green – solid, small print, batik, tone-on-tone)

Place the yellow and green squares right sides together and stitch  $\frac{1}{4}$ " all the way around the perimeter.

Then, cut along the two diagonals.

Open each triangle and press the seam to the green (or OPEN, if you prefer).

Arrange in an hourglass and stitch together. (Measure that  $\frac{1}{4}$ " seam!!) Press seams OPEN.

Square your block to  $12\frac{3}{4}$ ".

Then, cut  $2\frac{1}{8}$ " from the center line on all 4 sides, Making 9 equal pieces.

Turn all 4 corners 180 degrees.

Turn center block 90 degrees.

Stitch the pieces together; press seams OPEN.

VOILA! You're done..
