President's Message

This picture reminds me of Ocean Wave Quilters. I once had natural blond hair and then later it was dyed. And, I still have red glasses. Where can I find some with the wings on the side? And, there is even a hand sewer! Love the color and the fabulous hats reminiscent of our outdoor meetings at the Senior Center. I have not done flowers in my hair much but oh yes, do you remember the bow clips we had to bundle our long hair?

We have so much creativity in our membership. From pieced blocks to embroidery, hand quilting, great uses of color...we have it all. As we get close to a new school year, I encourage each one of us to try something new this month. Maybe it will be to teach a blockette at a General meeting. Or, perhaps, try sashiko. Or try a new way of binding your quilts. How about paper piecing? When you ask a quilting friend to show you something new you will be gifted a new friendship.

New Biography Project is LIVE - Sharon L.

We are ready to learn more about each other! The Biography Questionnaire is now live. Go to oceanwavequilters.com/forms/ (or oceanwavequilters.com, click on the Forms and Documents tab). The first item in the list is the OWQ Biography Questionnaire. Click on that document and it will open in a new tab. Fill out the information - the only required information is your email and your name. Complete the remainder of the information and click the SUBMIT button at the bottom of the last page. That's it - you're done! The information will automatically go into a spreadsheet in a secure file on my computer. When I have received all of the response, I will be organizing them into an easy to read document for you. This document will **only** be shared within the OWQ group - it will not be published on-line or shared with anyone outside of our group.

If you do not have an email address, a hard copy of this survey is being mailed to you with your copy of this newsletter. Complete it and mail it back to me at OWQ, PO Box 2687, Fort Bragg, CA 95437. If you have questions, let me know.
